

When He Sees the Blood

God made a way to save His people this time.

1. They did not live like they should, did not deserve favor.
2. But the people were spared.
3. God showed His mercy.

God allowed trouble in the past.

1. The previous plagues affected all the people.
2. His people were slaves.
3. Moses' coming brought issues.

God uses our past...

1. To remind us of where we were and where we are.
2. To teach us lessons.
3. To show us the extent of His mercy.

Application

God made a way. We must not forget it.
